PA 020 Grand and Reserve Halter Champions Page 153 #1503
Submitted by: Performance Committee

A. The grand champion of each junior and senior sex and junior and senior gelding, pleasure driving, country driving and roadster driving divisions will receive at least one point more than any other horse in its respective junior or senior or driving division, provided at least three (3) horses were exhibited in that junior or senior or driving division. The grand champion will always receive a minimum of at least two (2) points in any show where at least six (6) horses have competed in that junior or senior or driving division. (Amended 02-07, effective 01-08)

B. The reserve champion of each junior or senior or driving division shall receive as many points as any horse in his division except the champion. The reserve champion will always receive a minimum of at

### PA 021 Grand and Reserve Driving Champions   Page 154  #1504

Submitted by: Performance Committee

**A.** The grand champion of each single pleasure driving, country pleasure driving, classic pleasure driving and roadster driving division will receive at least one point more than any other horse in its respective driving division. If necessary, additional points will be added to the points the grand champion won in its driving class to give it this total.

**B.** The reserve champion of each driving division shall receive as many points as any horse in its division except the champion. If necessary, additional points will be awarded to the points it won in its class to bring its total up even with the other horse that had the most points.

**Office Procedure**

In order for the points to be awarded, the computer should search for 1st thru 6th placings.

The grand or reserve points will be awarded to the horse placing 6th or higher in its qualifying by the judge awarding it grand or reserve grand champion,

Should a horse not place 6th or higher in its qualifying class but subsequently places grand or reserve in its driving division, it is the responsibility of the exhibitor to contact show management by submitting the appropriate form before the end of the show designating where the grand or reserve points are to be applied. The horse must have been exhibited in the designated class.

Show management will submit the form with show results.

Our system only retains 1st thru 6th placings. This will allow driving grand and reserve grand points to be awarded.
As a driving grand class is to be judged as a completely new class. Judges ARE allowed to use a horse grand or reserve regardless of whether or not that judge placed the horse 1st or 2nd in a qualifying class.

CL 016 Stock Division #1519
Submitted by: Frank Lupton

Standards of Conformation and Movement

GENERAL IMPRESSION – An attractive horse where everything is proportionate and all parts tie in smoothly. All gaits are smooth and purposeful exhibiting natural athleticism. Horses are judged on balance, structural correctness and sex characteristics. Of these, balance is the most important.
STANCE - The American Miniature Horse Association’s Stock Type Horse normally stands at ease with his legs perpendicular to the ground and parallel with each other. The horse should exhibit a balanced stance and stand on the corners of his body, as opposed to being spread too far apart or crowded too close together, or parked out.

HEAD - The head of an AMHA Stock Type Horse reflects inquisitive intelligence. He has a short, broad head that is straight or slightly dished topped by small to medium ears hooked towards the center line at the tips; kind wide-set eyes; large nostrils; small muzzle, and firm mouth. A domed forehead is a fault.

BITE - When viewed from the side, the meeting point of the center incisor teeth should be equal and even. A deviation of no more than half the width of the tooth’s surface is permissible without fault.

NECK - The head of the AMHA Stock Type Horse joins the neck at a roughly 45-degree angle, with a slender throat latch allowing him to move easily in any direction while maintaining his balance. The medium to long neck should be slightly arched and blend smoothly into sloping shoulders.

SHOULDERs - The AMHA Stock Type Horse’s short strong back is created by deep sloping shoulders tying in well back.

CHEST AND FORELEGS - As demonstrated by the heart girth and relatively wide-set forelegs, the AMHA Stock Type Horse is deep and broad in the chest. Smooth joints and short cannon bones are set on clean fetlocks and medium length pasterns are supported by healthy hooves. The forearm tapers to the knee, whether viewed from the front or back.

BACK - The short back of the AMHA Stock Type Horse is full and strong across the loins. The barrel is formed by deep, well sprung ribs which extend to the hip joints. The underline, or abdominal area, should rise cleanly to the flank. The point of the croup should be no higher than the top of the withers. The tail is set off a long, rounded croup.

HINDQUARTERS - Viewed from either side or the rear, the hindquarters are broad, deep and adequately muscled through the thigh, stifle and gaskin down to the hock. When viewed from the rear, there is adequate width extending evenly from the top of the thigh to the gaskin. The hocks are wide set, deep and straight.

BONES, LEGS AND HOOVES - Flat, strong bones, smooth joints and proper angulations form a leg that is attractive and functional. The hooves are proportionate to overall conformation.

MUSCLING - The AMHA Stock Type Horse should have muscling adequate to function, but is not a heavily muscled breed. Overly heavy muscling is a fault.

MOTION - Stock Type horses track straight and true. At all times they should appear confident, balanced and athletic, demonstrating a low flat stride with minimal knee and hock action.
Stock Type Illustration

Standards and Style
1. Stock Type division horses will be shown in a stock horse manner with the horse standing still, calm and square.
2. The handler should stand towards the left side of the horse’s center line, more or less facing horse.
3. Stock type/western show halters will be the accepted standard. At local shows a nylon halter will suffice. An Arabian type halter is unacceptable and will result in disqualification.
4. Leads may have chains, but chains may only go under chin and not over the nose or in the mouth.
5. Razoring of heads will be heavily penalized. Clipping is permitted.
6. Banding or braiding of manes is prohibited.
7. Manes should be natural looking and of moderate length
8. Pulled, overcut or undercut manes are acceptable.
9. Tails should be off the ground.

Requirements
1. A horse may not show in more than one halter division at any show with the exception of color and/or Special Needs classes. Versatility is considered a performance class and this does not apply.
2. There will be no instances of halter competition between horses representing Stock Type and the other division such as supreme champion classes.
3. Current rules for handler’s dress will apply in stock division.
4. Current halter ring pattern will be used for stock division.

No person shall alter, change, or attempt to hide or enhance the natural color of the body including legs of a horse by dye, bleach, or paint. This rule does not preclude a person from enhancing the natural color of the horse’s mane and tail can be enhanced by artificial coloring. Hoofs may only be colored with black, brown or clear, with the exception of a costume class. Non-permanent coloring Color enhancements may can be used on the legs and head of any a horse. White markings must remain white. Any horse that which has been color enhanced beyond the above show guidelines must be disqualified for the entire show and all previous trophies, ribbons, and points will be disallowed for that show.

Note: This proposal was rejected by the Show Rules Committee in 2014 and thus was not presented for a vote at the 2015 Annual Meeting. Howev-
er, because it had been submitted with the signatures of ten (10) current directors, per the flow chart, it should have gone forward to the Annual Meeting for a membership vote.

President’s Report

I am completing my second term as AMHA President. This past year has been interesting and troubling but the next year will be even more challenging.

As we ended the year 2015, the AMHA Profit and Loss statement continued to reflect the decreasing numbers in registration, transfers, and membership, our largest annual sources of revenue. Or at least that was the way it was in previous years. This year our combined revenue from AMHA sponsored (which were all profitable) was substantially larger than the registration revenue. This year the business model for the AMHA could appear to have changed from that of being a registry to an association producing shows. Producing shows is vitally important to AMHA as they serve to provide owners and exhibitors an opportunity to enjoy, showcase, and promote their AMHA horses. However, the primary purpose of the AMHA is to provide the needed services of registration, transfers, etc that are associated with the stud book and are needed by AMHA members. Thus, this is the immediate challenge for AMHA members.

What can be done to change this? This 2016 Annual Meeting is going to be a memorable meeting as many issues will be discussed and decisions made that will have an immediate and long range affect on AMHA. New proposed registration programs will be discussed, as well as other issues that affect AMHA members and their business. We must address the absolute need for new registration programs and for attracting new members. I strongly encourage AMHA members who are present at this Annual Meeting to participate, listen, discuss and then vote to either accept or reject the new proposals. Your attendance at this meeting and your votes are very important.

Let us all be positive and work together to assure the future of the AMHA. AMHA must continue to provide those programs that cause us to fulfill our mission. “We strive to be a friendly organization where we all work together to preserve the heritage and promote the future of the AMHA breed.”

In closing, let me tell you once again how pleased I am to have been elected to serve you in my second year as your President. It has been an honor and I want to express appreciation to all who continue to serve and support the AMHA, its members, and its wonderful Miniature Horses.
I personally want to thank the members of the Board, the EC and the great staff we have in the office. My best wishes to all.

Sid Hutchcraft

MINUTES of AMHA COMMITTEE MEETINGS

Amateur Committee Minutes February 19, 2016

Members present: Debra Hopkins, chair Becky Kelley
Susan Stuart
Marilyn Meyer Joanne Ross Kim Sweatt Debbie Meek

We had a quorum.

Reviewed budget from previous year. Got great feedback from some of the amateurs in attendance and decided to keep our Amateur awards the same in 2016. Joanne Ross moved and Becky Kelley seconded the motion. Unanimous vote.

Discussed Sponsors and donations for the Amateur programs. We will compile a list of opportunities with different denominations and provide to the Committee members. Committee members will reach out to the membership and vendors the have relationships with to get commitments.

Amateur Committee will partner with the Halter Futurity again at the 2016 World Show to offer an informal wine and cheese gathering during the Futurity classes on Wednesday night.

Becky Kelley moved to adjourn. Seconded by Marilyn Meyer, the motion passed.

International Committee

Committee members present: Sami Scheuring, Marilyn Meyers and Joanne Ross making a quorum.
The committee reviewed the application of the new Belgium Club IMHC and the Russian Club and voted to recommend approval of both clubs to the board.

At the World Show we would like:

1. Designate Friday, September 30 as International Day.
2. International members would be invited to present awards in the arena.
3. A International Exhibitors class with donated horses would be held in the early evening.
4. A beer and chips reception would be held after the class at the AMHA tables in the arena.
5. International members are invited to provide a small 12" flag for table decorations.

Sami Scheuring would make a list of classes that International members could participate in at the World show that would not need them to prequalify.

We will continue to feature international members in our AMHA World Magazine.

It was noted that 10% of the AMHA shows are now held outside of the USA.

The USLGE grant money has been a big influence on this growth. We had a discussion on the use of the money, for providing assistance with the cost of US judges, Exhibitors clinics or a judges seminar to card international judges. The honorary directors were polled to get their feedback. The majority of the directors replying felt that the assistance with US judges for their shows was the best use of the money because the international judges clinic has not resulted in judges carded.

2016 Halter Futurity Committee Meeting
Thursday February 18, 2016  8:30 AM

Roll call was taken. Committee members present: Allison Rosauer, John Bennett, Jennifer Bennett, Wade Burns, & Ann Dwyer

Members absent: Craig Westergaard, Polly Weisberg, Kristina Slobody

Weanling Sweepstakes Classes

• The Weanling Sweepstakes class entries were reviewed. Entries were down in 2015. It was decided to keep the classes for 2016.

• The AMHA Work Order is showing a Close of Entries 8/15/2016. This is incorrect. Entries are accepted in the Show office until 6:00 PM the day before the classes.
- **Action**: Contact Randy and get the Work Order updated.

- **Payouts** were given out through all placings at the World show in error and Futurity display checks were also used in error by the office. Upon review it was decided that even though the amounts were small, exhibitors liked having a money prize if they placed. So we will be continuing to award money 1st-10th place. **No Award Checks**

- **Awards**:
  - Ribbons for 3-10th place.
  - Champion and Reserve Champion sashes & Silver Plates for 1st & 2nd place for the win pictures.
    - **Action**: We will need to order the silver plates for the 1st & 2nd places & ribbons again through Laura as well.

**Halter Futurity Classes**

- We reviewed the class entries for all futurity classes over the last 8 years. Our total exhibitors have been going up steadily. After discussion it was decided to leave the class offerings the same since entries tended to shift between classes, but overall entries were increasing.

**Judges for 2016**

- Since the judge situation has not been finalized for the World Show. It was decided to table this discussion until further information was available.

**Budget & Awards**

- **Hat & T-shirt order**
  - Banked number of Hats and T-shirts were discussed and order amounts approved for 2016
    - **Action**: Get with Sherri Lykken to see what colors might be available for this year’s T-shirts and Hats
    - **Action**: Sherri did not get paid for last year’s order. Get in touch with her and ask her to bill the office for payment.
    - **Action**: Work with the office to see what can be done to use actual entries for closer estimates on the check amounts
  - Coupons seemed to work well for people to pick up the T-shirts and Hats.
    - **Action**: Check with Sherri to see if T-shirts and Hats can be available the first day of the show for people to pick up at the AMHA table.
• Grand & Reserve Champion Trophies for Open, Amateur and AOTE:
  
  ○ **Action**: Get with Laura to order the Silver Trophies again for Grand/Reserve Grand Champions for the 2016 World Show

Meeting adjourned
The Licensed Officials Committee met on February 4, 2016 at the Color Breed Council held in Tulsa, OK. Present were Al Bulgawicz, Harry Elder, Sid Hutchcraft, Laura Mullen, Lonnie Perdue, Tom Roberts, and Sami Scheuring. Absent: Jim Congleton. The meeting began at 4:01 p.m. We had a quorum for conducting business.

**LOC Budget**
The committee discussed the 2016 budget to be passed at the annual meeting and whether LOC could find ways to reduce expense. Our first choice would be to have all committee members attend the CBC in 2017 and 4 members attend the Denver clinic. A second option would be to have only 4 committee members attend CBC and 4 attend Denver. Laura Mullen mentioned that there was a proposal to the Finance Committee to raise the standard deduction for all AMHA Directors, LOC members and Show Rules Committee members to $150.00 (up from $125.00).

**Driving Videos**
The committee discussed developing a driving video for our video testing segment. We will review the current footage that we have to see what we can use. Sami Scheuring made a motion to have our driving videos upgraded to current style. Seconded by Al Bulgawicz. Motion passed.

**USLGE**
AMHA should be receiving approximately $27,500 from USLGE this year to be used for judges, shows and trade exhibits for 2016. Wayne Hipsley is going to try to request an additional $5000 to be used for a seminar this year. However, we cannot provide a seminar unless the additional funding comes through.

**Stewards**
Rebecca Clark asked the committee what to do about stewards needing renewal and people inquiring about becoming stewards. A motion was made by Sami Scheuring to leave the stewards program in moratorium and extend the time for a clinic requirement to 6 years. This would be a change from 3 years to 6 years. Seconded by Tom Roberts. Passed.

**JAC**
LOC is the voice of the JAC to show rules. The committee decided to have Sid Hutchcraft be in charge of JAC and the invitation of judges to attend.
CBC Facilitators
Discussion was held as to whether we should be additional facilitators. Perhaps ones who specialize in driving. No motion was made.

Fall Judges Clinic In Denver
LOC will move forward with the Fall Judges Clinic in Denver in conjunction with the ASPC/AMHR Judges Seminar. Sami will call and get us set up with the hotel. At present, it is planned that Harry Elder, Al Bulgawicz, Laura Mullen and Lonnie Perdue will attend as our other committee members may have previous engagements.

Sid Hutchcraft made a motion to budget for 20 judges at $225 each for Denver. Committee members attending will receive a maximum reimbursement of $300. Seconded by Tom Roberts. Passed.

Senior Status
Sami Scheuring made a motion for the following rule change to LO-020-C b.

b. Approved Judges may apply for Senior Classification after they have adjudicated at three (3) or more AMHA sanctioned shows in which 75 or more horses were exhibited at each show or Approved Judges may apply after they have adjudicated at a minimum of fifteen (15) AMHA sanctioned shows during the previous 6 years.

Seconded by Laura Mullen. Motion passed. The committee will present the rule at the Annual Meeting for vote and ask that it become effective March 1, 2016.

Sid Hutchcraft made a motion to amend the motion to 65 horses. Seconded by Al Bulgawicz. Motion passed 4 to 3. The rule proposal will go forward to the annual meeting as “65 or more horses.”

World Show
LOC was informed by Laura Mullen that the Finance Committee would like to decrease the number of World Show judges in 2016 from 10 to 6. There was much discussion of the pros and cons. LOC would like to inform the Finance Committee that their order of preference is to:

1. Keep all ten judges as is. It was felt we should honor their contracts and the negative ramifications would outweigh the savings.
2. Ask for each judge to take a decrease in pay (i.e. $50 each less per day would save $2250 and $100 each less per day would save $4500).

Laura Mullen provided statistics on the 2015 show that showed the difference between using all scores and throwing out the high and low. Sid Hutchcraft made a motion to go to 3 judges per panel for the 2017 AMHA World Show. Seconded by Al Bulgawicz. Motion passed.
Showmanship Scoresheet
The LOC discussed adding an adapted version of the AQHA scoresheet to the website for use in Showmanship which is based more on maneuvers to give our judges options. Rebecca Clark was instructed to adapt it and post it.

Letter to Judges
Sami Scheuring asked if her letter to the judges regarding the judging of driving classes had been reviewed. Al Bulgawicz made a motion that Sami’s letter be sent to our judges. Seconded by Harry Elder. Passed.

Closed Session
The LOC Committee went into closed session to discuss judges applying for senior status, approved judges, applicant judges and judges evaluation cards received from exhibitors and show managers. The committee reviewed the list of 30 potential judges for the 2017 World Show.

Election of LOC Chairman
Tom Roberts indicated that he and Jim were not interested in continuing as co-chairs. Harry Elder nominated Lonnie Perdue for chairman. Seconded by Al Bulgawicz. Sid Hutchcraft made a motion to close the nominations. Seconded by Al Bulgawicz. Nominations were closed and Lonnie Perdue was unanimously appointed.

LOC Policy
